

Linden in Town Apartments Affordable Housing

Dallas, Texas

*Carleton Residential Properties
300 Units
50 units/acre*

Linden in Town is sited on the edge of Dallas's urban core on an infill site prime for redevelopment. Site Planning strategies included placing the building at the perimeter of the site defining the street edge and reinforcing previous thoroughfare landscape improvements. Traditional urban housing forms were adapted to fit higher density requirements of an urban infill site.
